NEW CALCUTTA FORMAT

You will be bidding on the opportunity to select a team – think of it as bidding on an NFL draft position. We start the bidding for the 1st selection. If you win the bid, you get to select any team you wish from any flight. Once selected, the team is off the board and cannot be selected again. Then, we bid for the 2nd selection, and the winning bidder selects one of the remaining teams. The bidding continues until all teams have been selected. The traditional 50% buy-back option remains in effect.

Mobile Scoring and Scorecards

Before each round, you will receive an email with a link to follow for scoring on your mobile device. Only one person in your foursome needs to keep the mobile score. YOU MUST ALSO KEEP A PAPER SCORECARD AND TURN IT IN AFTER THE ROUND. Please total your scores on the paper card as this helps with data entry cross-checking. Turn scorecards in to Aaron or Goose.

Flighting & Handicap

3 Flights based on combined handicap of team.

Your handicap is based on your June 1st , 2013 INDEX rounded up or down. Ex.

12.5 index ➔ 13 strokes
12.4 index ➔ 12 strokes.

Hole #2 is a par 5 – Player A scores a net 4 and Player B scores a net 4. Both scores will count for the team (-2).

Hole #3 is a par 3 – Player A scores a net 2 and Player B scores a net 5. Both scores will count for the team (+1).
