Horserace Rules – Alternate Shot

The team determines which player will hit the Drive on the First hole. The player that did not hit the drive will play the second shot. The team will alternate shots through the hole. Also, if you have teed off on the first hole your partner must tee off on the second. You will then tee off again on the third if you are still alive.

Elimination (Highest Scores per hole)

1st hole – lose 2 teams (if 8 teams in flight then 3)

2nd hole – lose 2 teams

3rd hole – lose 2 teams

➔ Leaves 1 team left for the Playoff

If there is an elimination tie on hole then Chip-Off

This is used to break the high score ties for each hole. Both players of the team will chip from a designated area set by the Flight Captain. Closest ball to the hole will move on.

Group Winners Playoff (9th Hole)

A 1-hole playoff involving the final 5 teams (1 from each group) will determine the Derby champion. Teams will be allowed to choose who tees off. The team with the lowest score wins, with ties being determined by Final Hole Tie Breaker below.

Final Holes Tee Markers

Group 1 - Farthest tee, Group 2 - 1 up tee, Group 3 - 2 up tee, Group 4 and 5 - farthest up.

Final Hole Tie breaker

Both Players on the team will play a shot from the 100-yard marker. The team then chooses the best ball, the opposite player of the team plays the ball chosen. Then alternate until in hole.
