Shuttle Information

A shuttle will be provided to transport guests from the Country Suites in Chanhassen to the ceremony and reception in Mound, as the reception is in a private neighborhood with street parking only. The Lee residence can be difficult to find and we would like to minimize cars parked on the neighborhood streets, so guests are encouraged, but are not required, to utilize the shuttle service to avoid getting lost and encountering parking issues in the neighborhood (the city is planning road construction this summer!). Following the ceremony at Our Lady of the Lake, the shuttles will take guests to the outdoor reception at the Lee residence. Guests may also choose to drive their own personal vehicles to the ceremony and ride the shuttle from the church to the reception site. Shuttles will return guests to the church and the Country Suites periodically throughout the night. Street parking at the reception will be available for guests, but the shuttle has been provided for your convenience. Please indicate if you plan to use the shuttle on the response card.

The shuttle(s) will depart Country Suites at approximately 1:45PM, arriving at the church at approximately 2:15PM. Return trips from the reception will commence at approximately 8:00PM and continue hourly throughout the night.
