## THE PRACTICE ROUND GAME

Thursday June 4<sup>th</sup>

Select Your Dream Team (\$20 buy-in)

***PLEASE MOBILE SCORE AND TURN SCORECARD IN TO THE PRO SHOP!!!!***

### The General Concept

You select 3 other players who are playing the practice round, one from each flight you are not in, to join you on your 4-man Dream Team. For example, if you are in Flight 2, you pick a player from Flights 1, 3, and 4. Flighting for this game is individual Flighting, not your Monster team flight!! The individual flighting list for the Dream Team game was emailed to you and is also available in the Pro Shop when you sign-up. You and your 3 teammates will play in a 4 man 2 net best ball game we score at the end (similar to a blind-draw). The players you pick don't have to be participating in the game as this is an individual buy-in game with individual winners (again, similar to how a blind-draw would work).

### The Team Selection

Pre-select your 3 team members and email to Aaron, or select your team in the Pro Shop when you pay the buy-in fee of \$20. You don't need to worry about if someone has been picked, because players can be picked multiple times. For instance, Pat Moore may be on 20 people's teams, creating the Tiger Woods effect that swept all Masters, US Open, British Open, and PGA Championship pools prior to sex-gate. If you select a player from the practice round list that decides not to play or doesn't finish the round, a new teammate will be drawn at random from the appropriate flight.

### The Scoring

Each player on your team simply plays their round of golf in their pre-assigned grouping. When finished, we will score the 2 best net balls hole-by-hole for you and your 3 teammates. Lowest 4 man 2 net best ball score wins!

### The Payout

50 or less buy-ins, 5 spots paid ~(45%/25%/15%/10%/5%); 51 or more, 6 spots paid ~(40%/23%/15%/10%/7%/5%).

## THE CALCUTTA

Thursday June 4<sup>th</sup>, 7:30PM

### The Auction

You will be bidding on the opportunity to select a team – think of it as bidding on an NFL draft position. We start the bidding for the 1<sup>st</sup> selection. If you win the bid, you get to select any team you wish from any flight. Once selected, the team is off the board and cannot be selected again. Then, we bid for the 2<sup>nd</sup> selection, and the winning bidder selects one of the remaining teams. The bidding continues until all teams have been selected.

### The Charitable Donation

When you select a team with the draft position you buy, you must give that team an opportunity to buy half of themselves back. The charitable donation for that team will remain within the team's flight, creating individual purses for each flight.

### The Scoring

Monster-style scoring – Best Net Ball on all holes.

### The Payout

With the auction being held Thursday, we now have the opportunity to have 2 days of Calcutta action! If you or the team you owns tanks on the first day, fear not – you can win on the second day!! Half of the purse in each flight will be paid out based solely on Friday's scores, and the other half will be paid out based solely on Saturday's scores. Three spots per flight will be paid each day, with a 60%, 25%, 15% split.

## Flighting & Handicap

4 Flights based on combined handicap of team.

Your handicap is based on your June 1st, 2015 INDEX rounded up or down. Ex.

12.5 index → 13 strokes

12.4 index → 12 strokes.

## Net Ball Scoring

**Best Net Ball** counts on all holes, both days

A Ball must be conceded if a player's score is "NET" triple bogey or above.

Post a gross score that equals "NET" triple bogey.

## Scoring Examples:

Hole #1 is a par 4: Player A scores a net 3 and Player B scores a net 4. The net 3 will count for the team (-1).

Hole #2 is a par 5 – Player A scores a net 5 and Player B scores a net 5. A net 5 will count for the team (E).

Hole #3 is a par 3 – Player A scores a net 2 and Player B scores a net 5. The net 2 will count for the team (-1).
